

## Absolute™ Cleaning System

# Absolute™ Single

- One product, two dilutions, 95% of cleaning.
- Compact design: 11" x 19".
- Easy-to-use docking system eliminates annoying hoses and screw-on caps. Refill at the press of a button.

### Perfect for:

- One product, 95% of all cleaning.
- Simple training & installation.

*"It takes away all guesswork. It's a no-brainer!"*

- Mario, Facility Manager

# Absolute™ Multi

- Dispense a variety of products through one small dispenser- add specialty products for one-time renovation or create a complete system to tackle every challenge.
- Compact design: 11" x 19".
- Switch between products easily with no tubes, doors or screw-on caps to deal with.
- Get more out of your products; 5 dilutions available to cover everything from low-cost floor cleaning to serious renovation.
- Dock, Dial, Dilute™ - Easy to use, easy to train.

### Perfect for:

- Replacing your four-product unit with a smaller dispenser that's simpler and easier to use.
- Sophisticated teams with a variety of surfaces to clean.
- Value buyers looking for versatility and cost control.

Dial in your exact dilution to tackle any cleaning challenge.

Easy access to water.

Use multiple products through the same dispenser; no need to buy a new dispenser for one-off cleaning challenges!

Locking dispenser prevents product misuse.

Easy color-coded system.

High & low flow dispensing for buckets & bottles.

Refill product with a push of a button with the docking station.

Locking dispenser prevents product misuse.
