

MONOCHEM® EPOXYGUARD 100

Porch & Patio

Satin Finish Floor Coating For Wood & Concrete

EPOXYGUARD 100 is a water based epoxy fortified acrylic blend that creates a very tough finish for all interior/exterior patio and floor surfaces.

EPOXYGUARD 100 displays high resistance to scuffing, peeling, fading, UV rays, water and mildew.

TYPICAL USES:

- Floors
- Storage Areas
- Walkways
- Porches & Patios
- Decks

ADVANTAGES:

- Interior/Exterior
- Extremely Durable
- Environmentally Friendly
- Universally Compliant
- Easy Maintenance
